Established - 1961

# Philosophy

Resthave Nursing and Retirement home participates in Christian witness – a healing ministry of justice, love, peace and service. We affirm our commitment to serve our community, especially the needy, ill and the disabled. In our works, we affirm the dignity and value of each person. We dedicate our efforts to aid all persons in their striving for human wholeness – physically, spiritually, socially and intellectually.

We acknowledge health as a basic human value and commit our efforts to promote, preserve, protect, and restore wellness wherever we are able. We embrace the opportunity to extend compassionate service to the suffering and lonely. We acknowledge sickness, suffering, and death as an integral aspect of human life. In these moments, we strive to offer hope, healing, and peace.

We pledge ourselves to those values and beliefs: we commit ourselves to continually seek out ways of embody them in our services, actions and activities.

## Mission Statement

The mission of Resthave Home is to provide quality nursing care of the chronically ill and elderly, in a home like atmosphere.

## The Beginning of Resthave

On January 15, 1955 a meeting was held in the Emanuel Reformed Church in Morrison, Illinois to begin a study for a proposed “Home for the Aged.” The Reformed Church Classis of Illinois had adapted this committee. Those selected were from Morrison and Fulton Reformed Churches.

At the April 22, 1955 meeting, a motion was made to include all Reformed and Christian Reformed Churches in Whiteside County in this new project.

After monthly meetings and much study and discussion, a motion was made at the September 13, 1955 meeting to vote on whether or not to proceed in establishing a “Home for the Aged.” This motion was unanimously approved and another motion was made to elect ten men, one from each of the following churches, to take steps to form a corporation for this “Home.”

First Reformed Church - Fulton Illinois

Bethel Reformed Church - Sterling , Illinois

Second Reformed Church - Fulton Illinois

Newton Zion Reformed Church - Erie, Illinois

Trinity Reformed Church - Morrison Illinois

Christian Reformed Church - Morrison, Illinois

First Christian Reformed Church - Fulton Illinois

Ebenezer Reformed Church - Morrison, Illinois

Spring Valley Reformed Church - Morrison, Illinois

Bethesda Lutheran Church - Morrison, Illinois

Studies were made on existing buildings in the area to be renovated. However, the State of Illinois discouraged this because structures being considered had too many code violations to be dealt with thus probably becoming too costly.

The committee began searching building sites and found the area most practical to be the approximately five acres at the east end of Wall Street in Morrison, Illinois. The committee agreed to pick up an option on this property and talk to an attorney about Articles of Incorporation.

## The Opening of Resthave

**February 17, 1961** was the official open house celebration for the Resthave Home for Senior Citizens, a work of Faith on the part of several members making up this corporation. Dreams and efforts were started in 1955 for the Home which was to be known as the Resthave Home of Whiteside County.

Morrison is a community of many churches, a fine school system and a good hospital. We feel our senior citizens are deserving of a good place to go when circumstances necessitate finding fellowship and proper care later in life.

The six-acre property was purchased for \$6,500.00; the original building cost \$153,693.00; kitchen equipment, furniture and draperies cost \$15,390.00; for a total overall cost of approximately of \$175,583.00.

A word of appreciation to those involved in bringing Resthave to life: to the several contractors for their co-operation and fine workmanship; to those who made substantial gifts and memorials; to the Resthave Women's auxiliary for their untiring efforts to raise money for those extras; to those who brought bonds and by their influence in word and in deed made this dream become a reality. THANK YOU everyone.

We sincerely trust that Resthave Home may be a place of dignity and peace for those who have reached the sunset years of their life and that they may know the deep joy of Christian fellowship and the security of compassionate care. This home has been built to serve the entire community and a cordial welcome is extended to ALL.

**Funding and Donations** – Resthave is a non-for-profit home. The board has established a long range planning fund. This is for anyone wishing to donate money now, or to remember us in the future with a memorial gift. Donations are tax deductible.
